

The background of the cover is a dark blue field filled with a complex, glowing network of white and light blue lines and dots, resembling a digital or neural network. The lines are thin and connect various points, creating a sense of depth and connectivity. The overall effect is a futuristic, high-tech aesthetic.

TESTING AND BACKEND REFINEMENT

Categories Filtering Functionality

Results:

The results were as expected.

Challenges & Resolution:

No challenges faced

Search Functionality

Results:

The results were as expected but got one issue in deploying.

Challenges & Resolution:

Typescript Eslint error (unexpected any as image data type). To resolve this I used SanityImageSource

Contact Page Validation

Challenges & Resolution:

No challenges faced

Checkout Functionality

Results:

The results were as expected but a lot of issues faced.

Challenges & Resolution:

At first the details were not being saved in sanity order and customer document after clicking on the button but then I saved the values in localstorage first as array of objects and then I applied the functionality of saving the customer details and order details to sanity.

Stripe Payment Fucntionality

Results:

The results were as expected.

Challenges & Resolution:

No challenges faced.
